### **Mark Warner Announces Aeolian Village Beach Resort, New for Summer 2023**

Mark Warner announced today that the Aeolian Village Beach Resort in Lesvos will be joining their holiday portfolio for Summer 2023.

Managing Director, David Hopkins said, "After a successful summer this year we're delighted to be growing the programme next year with the addition of the Aeolian Village Beach Resort which we know will quickly establish itself as a Mark Warner customer favourite".

We're particularly excited by the new partnership we have formed with the resort owners who run a portfolio of quality properties in Cyprus, with Aeolian Village being no exception, as can be seen in the excellent customer satisfaction ratings they are achieving this summer." We are looking forward to a long and fruitful partnership with owners who really understand the business.

A €2m upgrade programme will be undertaken this winter, adding top class sports and childcare facilities to the excellent hotel infrastructure already in place. Brand new padel tennis courts will join the existing tennis facilities alongside new water sports and cycling centres and upgrades to the bars and restaurants.

The resort has a glorious location, tucked into a private corner of the golden sands of the wonderful Eressos beach. A short walk takes you into the charming village of Skala Eressos with its selection of seaside tavernas and bars.

With great conditions for sailing and windsurfing, quiet roads and tracks for cycling and mountain biking and Mark Warner's first padel centre, customers will be sure to enjoy this latest addition. We are particularly pleased that long time Mark Warner Manager Sue Thomas is returning to run this resort for us.

The new resort will be going on sale in a few weeks' time on the website, by phone with Mark Warner travel experts and via travel agents. In the meantime, customers can register their interest directly with Mark Warner and they'll receive a call back soon as bookings are open.
